Happy Valentine's Day!

CITY COMMITTEES: There is currently a need for Tree & Beautification Committee volunteers. The next event the committee will be planning will be the Arbor Day Celebration in May and the planning meetings would normally start in March. If you are interested in serving on this or other committees please contact city hall.

HOLIDAY CLOSURES: City Hall will be closed February 15th for President's Day.

Garbage pick-up will be on the normal schedule for the week.

BILLING STATEMENT CHANGES: Starting in March, the billing statement will be sent out in the form of a postcard. There will not be a printed newsletter. The newsletter will be available to view at sugarcityidaho.gov under the "Announcements" tab. If you would like a printed copy of the newsletter call city hall.

DOG LICENSE REMINDER: Licenses expired Dec. 31st; please make sure your pets are up to date. If you have a photo of your pet to put on file this would also be helpful.

BUSINESS LICENSE REMINDER: Business licenses expired Dec 31st. Commercial licenses are \$20.00. Home businesses are \$10.00. You may send in a check to pay for your license and a new license will be mailed to you. **(Do not combine with utility payment; it must be a separate check.)**

SNOW REMOVAL & OVERNIGHT PARKING: Our snow ordinance states no parking on city streets from December 1st through March 1st, between the hours of 12 midnight and 7 a.m. We also ask if it snows during the day and plows are out, to move vehicles off the street. Keep cars uncovered from snow and parked back off of roads and please pull into driveways further to stay clear of the snowplows. The city will not be clearing driveways to avoid damaging property in the process. We cannot assume liability for any damage that occurs. The city plows when we receive 3 inches or more of snow, the cost of which is roughly \$2-2500.00 each time. This covers wages, fuel, cutting edges and equipment maintenance.

SEWER AND WATER EMERGENCIES: We would like to remind all residents that in case of an emergency such as a water leak or sewer issue that happens after hours or on weekend, you can call city hall and there is an emergency option that will transfer you to our public works director. The sooner you call the better to avoid more complications.
